COUNCIL IMPLEMENTING REGULATION (EU) 2022/260**of 23 February 2022****implementing Regulation (EU) No 269/2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) No 269/2014 of 17 March 2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine ⁽¹⁾, and in particular Article 14(1) thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) On 17 March 2014, the Council adopted Regulation (EU) No 269/2014.
- (2) The Union remains unwavering in its support for Ukraine's sovereignty and territorial integrity.
- (3) In its conclusions of 24 and 25 June 2021, the European Council called on Russia to fully assume its responsibility in ensuring the full implementation of the Minsk Agreements as the key condition for any substantial change in the Union's stance. It stressed the need for a firm and coordinated response by the Union and its Member States to any further malign, illegal and disruptive activity by Russia, making full use of all instruments at the Union's disposal, and ensuring coordination with partners. To this end, the European Council also invited the Commission and the High Representative of the Union for Foreign Affairs and Security Policy (the 'High Representative') to present options for additional restrictive measures, including economic sanctions.
- (4) In its conclusions of 16 December 2021, the European Council stressed the urgent need for Russia to de-escalate tensions caused by the military build-up along its border with Ukraine and aggressive rhetoric. It reiterated its full support for Ukraine's sovereignty and territorial integrity. While encouraging diplomatic efforts and supporting the Normandy format in achieving the full implementation of the Minsk Agreements, the European Council stated that any further military aggression against Ukraine would have massive consequences and severe cost in response, including restrictive measures coordinated with partners.
- (5) On 24 January 2022, the Council approved conclusions in which it condemned Russia's continued aggressive actions and threats against Ukraine, and called on Russia to de-escalate, to abide by international law and to engage constructively in dialogue through the established international mechanisms. The Council reaffirmed the Union's full commitment to the core principles on which European security is built, enshrined in the United Nations (UN) Charter and the founding documents of the Organization for Security and Co-operation in Europe, including the Helsinki Final Act and the Charter of Paris. These core principles include in particular the sovereign equality and territorial integrity of States, the inviolability of frontiers, refraining from the threat or use of force, and the freedom of States to choose or change their own security arrangements. The Council stated that those principles are neither negotiable nor subject to revision or re-interpretation and that their violation by Russia is an obstacle to a common and indivisible security space in Europe and threatens peace and stability on the European continent. Recalling the European Council conclusions of December 2021, the Council reiterated that any further military aggression by Russia against Ukraine would have massive consequences and severe costs, including a wide array of sectoral and individual restrictive measures that would be adopted in coordination with partners.

⁽¹⁾ OJ L 78, 17.3.2014, p. 6.

- (6) On 19 February 2022, the High Representative issued a declaration on behalf of the Union expressing concern over the massive build-up of Russian armed forces in and around Ukraine and urged Russia to engage in meaningful dialogue and diplomacy, show restraint and de-escalate by a substantial withdrawal of military forces from the proximity of Ukraine's borders. The Union stated that any further military aggression by Russia against Ukraine would have massive consequences and severe costs in response, including restrictive measures coordinated with partners.
- (7) On 21 February 2022, the President of the Russian Federation signed a decree recognising the independence and sovereignty of the self-proclaimed 'Donetsk People's Republic' and the 'Luhansk People's Republic' and ordered Russian armed forces to be deployed in Eastern Ukraine.
- (8) On 22 February 2022, the High Representative issued a declaration on behalf of the Union condemning the decision of the President of the Russian Federation to recognise the non-government controlled areas of Donetsk and Luhansk oblasts of Ukraine as independent entities and the ensuing decision to send Russian troops into those areas. That illegal act further undermines Ukraine's sovereignty and independence and is a severe breach of international law and international agreements, including the UN Charter, Helsinki Final Act, Paris Charter and Budapest Memorandum, as well as of the Minsk Agreements and UN Security Council Resolution 2202 (2015). The High Representative urged Russia, as a party to the conflict, to reverse that recognition, uphold its commitments, abide by international law and return to the discussions within the Normandy format and the Trilateral Contact Group. He announced that the Union would respond to these latest violations by Russia by adopting additional restrictive measures as a matter of urgency.
- (9) In view of the gravity of the situation, the Council considers that 22 persons and four entities should be added to the list of persons, entities and bodies subject to restrictive measures as set out in Annex I to Regulation (EU) No 269/2014.
- (10) Annex I to Regulation (EU) No 269/2014 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

COUNCIL IMPLEMENTING REGULATION (EU) 2022/261**of 23 February 2022****implementing Regulation (EU) No 269/2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on the Functioning of the European Union,

Having regard to Council Regulation (EU) No 269/2014 of 17 March 2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine ⁽¹⁾, and in particular Article 14(1) thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) On 17 March 2014, the Council adopted Regulation (EU) No 269/2014.
- (2) The Union remains unwavering in its support for Ukraine's sovereignty and territorial integrity.
- (3) In its conclusions of 24 and 25 June 2021, the European Council called on Russia to fully assume its responsibility in ensuring the full implementation of the Minsk Agreements as the key condition for any substantial change in the Union's stance. It stressed the need for a firm and coordinated response by the Union and its Member States to any further malign, illegal and disruptive activity by Russia, making full use of all instruments at the Union's disposal, and ensuring coordination with partners. To that end, the European Council also invited the Commission and the High Representative to present options for additional restrictive measures, including economic sanctions.
- (4) In its conclusions of 16 December 2021, the European Council stressed the urgent need for Russia to de-escalate tensions caused by the military build-up along its border with Ukraine and aggressive rhetoric. It reiterated its full support for Ukraine's sovereignty and territorial integrity. While encouraging diplomatic efforts and supporting the Normandy format in achieving the full implementation of the Minsk Agreements, the European Council stated that any further military aggression against Ukraine would have massive consequences and severe cost in response, including restrictive measures coordinated with partners.
- (5) On 24 January 2022, the Council approved conclusions in which it condemned Russia's continued aggressive actions and threats against Ukraine, and called on Russia to de-escalate, to abide by international law and to engage constructively in dialogue through the established international mechanisms. The Council reaffirmed the Union's full commitment to the core principles on which European security is built, enshrined in the United Nations Charter and the founding documents of the Organization for Security and Co-operation in Europe, including the Helsinki Final Act and the Charter of Paris. These core principles include, in particular, the sovereign equality and territorial integrity of States, the inviolability of frontiers, refraining from the threat or use of force, and the freedom of States to choose or change their own security arrangements. The Council stated that these principles are neither negotiable nor subject to revision or re-interpretation and their violation by Russia is an obstacle to a common and indivisible security space in Europe and threatens peace and stability on the European continent. Recalling the European Council Conclusions of December 2021, the Council reiterated that any further military aggression by Russia against Ukraine would have massive consequences and severe costs, including a wide array of sectoral and individual restrictive measures that would be adopted in coordination with partners.

⁽¹⁾ OJ L 78, 17.3.2014, p. 6.

- (6) On 21 February 2022, the President of the Russian Federation signed a decree recognising the ‘independence and sovereignty’ of the non-government-controlled areas of the Donetsk and Luhansk oblasts of Ukraine, and ordering Russian armed forces into those areas.
- (7) On 22 February 2022, the High Representative issued a declaration on behalf of the Union condemning that illegal acts, which further undermines Ukraine’s sovereignty and independence and is a severe breach of international law and international agreements, including the UN Charter, the Helsinki Final Act, the Paris Charter and the Budapest Memorandum, as well as of the Minsk Agreements and of UN Security Council Resolution 2202 (2015). The High Representative urged Russia, as a party to the conflict, to reverse the recognition, uphold its commitments, abide by international law and return to the discussions within the Normandy format and the Trilateral Contact Group. He announced that the Union would respond to these latest violation by Russia by adopting additional restrictive measures as a matter of urgency.
- (8) In view of the gravity of the situation, the Council considers that 336 members of the State Duma should be added to the list of persons, entities and bodies subject to restrictive measures as set out in Annex I to Regulation (EU) No 269/2014 due to their vote in favour of a resolution to ask President Vladimir Putin to recognise the separatist-claimed parts of eastern Ukraine as independent states.
- (9) Annex I to Regulation (EU) No 269/2014 should therefore be amended accordingly,

HAS ADOPTED THIS REGULATION:

Article 1

The persons and entities listed in the Annex to this Regulation shall be added to the list set out in Annex I to Regulation (EU) No 269/2014.

Article 2

This Regulation shall enter into force on the date of its publication in the *Official Journal of the European Union*.

Done at Brussels, 23 February 2022 ,

For the Council

DECISIONS

COUNCIL DECISION (CFSP) 2022/264

of 23 February 2022

amending Decision 2014/512/CFSP concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union and in particular Article 29 thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) On 31 July 2014, the Council adopted Decision 2014/512/CFSP ⁽¹⁾.
- (2) In its conclusions of 24 and 25 June 2021, the European Council called on Russia to fully assume its responsibility in ensuring the full implementation of the Minsk Agreements as the key condition for any substantial change in the Union's stance. It stressed the need for a firm and coordinated response by the Union and its Member States to any further malign, illegal and disruptive activity by Russia, making full use of all instruments at the Union's disposal, and ensuring coordination with partners. To that end, the European Council also invited the Commission and the High Representative of the Union for Foreign Affairs and Security Policy (the 'High Representative') to present options for additional restrictive measures, including economic sanctions.
- (3) In its conclusions of 16 December 2021, the European Council stressed the urgent need for Russia to de-escalate tensions caused by the military build-up along its border with Ukraine and aggressive rhetoric. It reiterated its full support for Ukraine's sovereignty and territorial integrity. While encouraging diplomatic efforts and supporting the Normandy format in achieving the full implementation of the Minsk Agreements, the European Council stated that any further military aggression against Ukraine would have massive consequences and severe cost in response, including restrictive measures coordinated with partners.
- (4) On 24 January 2022, the Council approved conclusions in which it condemned Russia's continued aggressive actions and threats against Ukraine, and called on Russia to de-escalate, to abide by international law and to engage constructively in dialogue through the established international mechanisms. The Council reaffirmed the Union's full commitment to the core principles on which European security is built, enshrined in the United Nations (UN) Charter and the founding documents of the Organization for Security and Co-operation in Europe, including the Helsinki Final Act and the Charter of Paris. These core principles include, in particular, the sovereign equality and territorial integrity of States, the inviolability of frontiers, refraining from the threat or use of force, and the freedom of States to choose or change their own security arrangements. The Council stated that those principles are neither negotiable nor subject to revision or re-interpretation and that their violation by Russia is an obstacle to a common and indivisible security space in Europe and threatens peace and stability on the European continent. Recalling the European Council Conclusions of 16 December 2021, the Council reiterated that any further military aggression by Russia against Ukraine would have massive consequences and severe costs, including a wide array of sectoral and individual restrictive measures that would be adopted in coordination with partners.

⁽¹⁾ Council Decision 2014/512/CFSP of 31 July 2014 concerning restrictive measures in view of Russia's actions destabilising the situation in Ukraine (OJ L 229, 31.7.2014, p. 13).

- (5) On 19 February 2022, the High Representative issued a declaration on behalf of the Union expressing concern over the massive build-up of Russian armed forces in and around Ukraine, and urged Russia to engage in meaningful dialogue and diplomacy, show restraint and de-escalate by a substantial withdrawal of military forces from the proximity of Ukraine's borders.
- (6) On 21 February 2022, the President of the Russian Federation signed a decree recognising the "independence and sovereignty" of the non-government-controlled areas of the Donetsk and Luhansk oblasts of Ukraine, and ordered the Russian armed forces into those areas.
- (7) On 22 February 2022, the High Representative issued a declaration on behalf of the Union condemning that illegal act, which further undermines Ukraine's sovereignty and independence and is a severe breach of international law and international agreements, including the UN Charter, the Helsinki Final Act, the Paris Charter and the Budapest Memorandum, as well as of the Minsk Agreements and of UN Security Council Resolution 2202 (2015). The High Representative urged Russia, as a party to the conflict, to reverse that recognition, uphold its commitments, abide by international law and return to the discussions within the Normandy format and the Trilateral Contact Group. He announced that the Union would respond to these latest violations by Russia by adopting additional restrictive measures as a matter of urgency.
- (8) In view of the gravity of the situation, the Council considers it appropriate to take further restrictive measures in response to Russia's actions destabilising the situation in Ukraine.
- (9) In particular, restrictions on access to the capital market should be imposed, in particular by prohibiting the financing of Russia, its Government and its Central Bank.
- (10) Further action by the Union is needed in order to implement certain measures.
- (11) Decision 2014/512/CFSP should therefore be amended accordingly,

COUNCIL DECISION (CFSP) 2022/266**of 23 February 2022****concerning restrictive measures in response to the recognition of the non-government controlled areas of the Donetsk and Luhansk oblasts of Ukraine and the ordering of Russian armed forces into those areas**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) The European Union remains unwavering in its support for Ukraine's sovereignty and territorial integrity.
- (2) In its conclusions of 24 and 25 June 2021, the European Council called on Russia to fully assume its responsibility in ensuring the full implementation of the Minsk Agreements as the key condition for any substantial change in the Union's stance. The European Council also invited the Commission and the High Representative of the Union for Foreign Affairs and Security Policy (the 'High Representative') to present options for additional restrictive measures, including economic sanctions.
- (3) In its conclusions of 16 December 2021, the European Council stressed the urgent need for Russia to de-escalate tensions caused by the military build-up along its border with Ukraine and its aggressive rhetoric. It reiterated its full support for Ukraine's sovereignty and territorial integrity. While encouraging diplomatic efforts and supporting the Normandy format in achieving the full implementation of the Minsk Agreements, the European Council stated that any further military aggression against Ukraine would have massive consequences and severe cost in response, including restrictive measures coordinated with partners.
- (4) On 24 January 2022, the Council approved conclusions in which it condemned Russia's continued aggressive actions and threats against Ukraine, and called on Russia to de-escalate, to abide by international law and to engage constructively in dialogue through the established international mechanisms. Recalling the European Council Conclusions of 16 December 2021, the Council reiterated that any further military aggression by Russia against Ukraine would have massive consequences and severe costs, including a wide array of sectoral and individual restrictive measures that would be adopted in coordination with partners.
- (5) On 21 February 2022, the President of the Russian Federation signed a decree recognising the independence and sovereignty of the self-proclaimed 'Donetsk People's Republic' and the 'Luhansk People's Republic', and ordered Russian armed forces to be deployed in those areas.
- (6) On 22 February 2022, the High Representative issued a declaration on behalf of the Union condemning the decision of the President of the Russian Federation to recognise the non-government-controlled areas of the Donetsk and Luhansk oblasts of Ukraine as independent entities and the ensuing decision to send Russian troops into those areas. That illegal act further undermines Ukraine's sovereignty and independence and is a severe breach of international law and international agreements, including the United Nations Charter, the Helsinki Final Act, the Paris Charter and the Budapest Memorandum, as well as of the Minsk Agreements and of UN Security Council Resolution 2202 (2015). The High Representative urged Russia, as a party to the conflict, to reverse the recognition, uphold its commitments, abide by international law and return to the discussions within the Normandy format and the Trilateral Contact Group. He announced that the Union would respond to these latest violations by Russia by adopting additional restrictive measures as a matter of urgency.

- (7) In these circumstances, the Council considers that the import into the European Union of goods originating in the non-government controlled areas of the Donetsk and Luhansk oblasts of Ukraine should be prohibited, with the exception of goods having been granted a certificate of origin by the Government of Ukraine.
- (8) In addition, trade in goods and technology for use in certain sectors in the non-government controlled areas of the Donetsk and Luhansk Oblasts of Ukraine should be restricted. Services in the sectors of transport, telecommunications, energy or the prospecting, exploration and production of oil, gas and mineral resources, as well as services related to tourism activities in the non-government controlled areas of the Donetsk and Luhansk oblasts of Ukraine should be prohibited.
- (9) Further Union action is needed in order to implement certain measures,

COUNCIL DECISION (CFSP) 2022/267**of 23 February 2022****amending Decision 2014/145/CFSP concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 29 thereof,

Having regard to the proposal from the High Representative of the Union for Foreign Affairs and Security Policy,

Whereas:

- (1) On 17 March 2014, the Council adopted Decision 2014/145/CFSP ⁽¹⁾.
- (2) The Union remains unwavering in its support for Ukraine's sovereignty and territorial integrity.
- (3) In its conclusions of 24 and 25 June 2021, the European Council called on Russia to fully assume its responsibility in ensuring the full implementation of the Minsk Agreements as the key condition for any substantial change in the Union's stance. It stressed the need for a firm and coordinated response by the Union and its Member States to any further malign, illegal and disruptive activity by Russia, making full use of all instruments at the Union's disposal, and ensuring coordination with partners. To that end, the European Council also invited the Commission and the High Representative of the Union for Foreign Affairs and Security Policy (the 'High Representative') to present options for additional restrictive measures, including economic sanctions.
- (4) In its conclusions of 16 December 2021, the European Council stressed the urgent need for Russia to de-escalate tensions caused by the military build-up along its border with Ukraine and aggressive rhetoric. It reiterated its full support for Ukraine's sovereignty and territorial integrity. While encouraging diplomatic efforts and supporting the Normandy format in achieving the full implementation of the Minsk Agreements, the European Council stated that any further military aggression against Ukraine would have massive consequences and severe cost in response, including restrictive measures coordinated with partners.
- (5) On 24 January 2022, the Council approved conclusions in which it condemned Russia's continued aggressive actions and threats against Ukraine, and called on Russia to de-escalate, to abide by international law and to engage constructively in dialogue through the established international mechanisms. The Council reaffirmed the Union's full commitment to the core principles on which European security is built, enshrined in the United Nations Charter and the founding documents of the Organization for Security and Co-operation in Europe, including the Helsinki Final Act and the Charter of Paris. These core principles include in particular the sovereign equality and territorial integrity of States, the inviolability of frontiers, refraining from the threat or use of force, and the freedom of States to choose or change their own security arrangements. The Council stated that those principles are neither negotiable nor subject to revision or re-interpretation and their violation by Russia is an obstacle to a common and indivisible security space in Europe and threatens peace and stability on the European continent. Recalling the European Council Conclusions of 16 December 2021, the Council reiterated that any further military aggression by Russia against Ukraine would have massive consequences and severe costs, including a wide array of sectoral and individual restrictive measures that would be adopted in coordination with partners.
- (6) On 15 February 2022, Russia's State Duma voted in favour of sending a resolution to ask President Vladimir Putin to recognise the separatist-claimed parts of eastern Ukraine as independent states.

⁽¹⁾ Council Decision 2014/145/CFSP of 17 March 2014 concerning restrictive measures in respect of actions undermining or threatening the territorial integrity, sovereignty and independence of Ukraine (OJ L 78, 17.3.2014, p. 16).

- (7) On 19 February 2022, the High Representative issued a declaration on behalf of the Union expressing concern over the massive build-up of Russian armed forces in and around Ukraine and urged Russia to engage in meaningful dialogue and diplomacy, show restraint and de-escalate by a substantial withdrawal of military forces from the proximity of Ukraine's borders. The Union stated that any further military aggression by Russia against Ukraine would have massive consequences and severe costs in response, including restrictive measures coordinated with partners.
- (8) On 21 February 2022, the President of the Russian Federation signed a decree recognising the 'independence and sovereignty' of the non-government-controlled areas of Donetsk and Luhansk oblasts of Ukraine and ordering Russian armed forces into those areas.
- (9) On 22 February 2022, Russia's State Duma agreed unanimously to recognise the breakaway regions in eastern Ukraine as sovereign states and ratified agreements of friendship and mutual help.
- (10) On 22 February 2022, the High Representative issued a declaration on behalf of the Union condemning the decision of the President of the Russian Federation to recognise the non-government-controlled areas of Donetsk and Luhansk oblasts of Ukraine as independent entities and the ensuing decision to send Russian troops into those areas. That illegal act further undermines Ukraine's sovereignty and independence and is a severe breach of international law and international agreements, including the United Nations Charter, the Helsinki Final Act, the Paris Charter and the Budapest Memorandum, as well as of the Minsk Agreements and of UN Security Council Resolution 2202 (2015). The High Representative urged Russia, as a party to the conflict, to reverse the recognition, uphold its commitments, abide by international law and return to the discussions within the Normandy format and the Trilateral Contact Group. He announced that the Union would respond to these latest violations by Russia by adopting additional restrictive measures as a matter of urgency.
- (11) In view of the gravity of the situation, the Council considers that 336 members of the State Duma should be added to the list of persons, entities and bodies subject to restrictive measures set out in the Annex to Decision 2014/145/CFSP due to their vote in favour of a resolution to ask President Vladimir Putin to recognise the separatist-claimed parts of eastern Ukraine as independent states.
- (12) Decision 2014/145/CFSP should therefore be amended accordingly,
